* Cuando visitamos estos lugares por el cual están hechos, no solemos emplear THE.

Utilizamos THE si vamos a esos lugares por otras razones (visitar – limpiar ...) o si los describimos.

Jack is at University in Rome. His parents went to the University to visit him.

Vicky has gone back to the church because she left her school-bag.

- Utilizamos A – AN cuando estamos hablando de una persona o cosa por primera vez. Si la persona lo/la conoce entonces podemos utilizar THE.
A girl came to see you this morning. I don't know her name.
The girl was wearing a red dress. The dress was made of cotton.

- Normalmente Utilizamos ONE en vez de un articulo cuando estamos contando:
A girl came to see you this morning. One girl came, not Two...

- THE POST OFFICE = correos, en inglés es SINGULAR:
The post office opens at 9 o'clock.
